

# ENVIRONMENTAL POLICY AND OBJECTIVES

## Environmental Policy

As one of the leading pioneers in the green technology industry, **Nextgreen Pulp & Paper Sdn. Bhd.** is dedicated to adopting environmentally conscious practices and contributing to a more sustainable and circular economy future as part of the next generation of green innovation. To achieve this, we have implemented Environmental Management System aligned with our purpose and commitments, which includes:

- 1) **Compliance:** Adhering to all applicable environmental laws, regulations, permits, and other requirements.
- 2) **Prevention:** Implementing SOPPs to prevent activities and conditions that may pose a threat to the environment.
- 3) **Communication:** Engaging our employees, suppliers, customers, and relevant stakeholders on our environmental commitment
- 4) **Continuous Improvement:** Actively giving awareness to enhance our understanding and improve the application of these principles.
